

Front Royal — Warren County Airport Commission

Meeting Agenda for January 14, 2026 @ 7:00PM

Front Royal - Warren County Airport (FRR)

Meeting to be Called to Order by Chairman Kosubinsky

General

- Adoption of the meeting Agenda for January 14, 2026
- Adoption of the meeting minutes from September 10, 2025

Commission / Committee Reports

- Report concerning approval and distribution of the updated Rules and Regulations.
- Report of the Social Committee, Mr. Sean Roe
 - Recap of The Great Pumpkin Drop

County Report

- Report from Airport Manager Mike Berry
 - Status of Box Hangar Site Development from previous meeting.
 - Status of Runway Rehabilitation from previous meeting.
- Report from other County representatives

Old Business

- Update on beacon visibility and work currently underway to clear and remove the trees.
- Update on windsock on the west end of the airfield.
- Update if the weeds and cracks on taxiways and ramps have been addressed.
- Update on gravel removal and if there will be a regularly schedule removal.
- Update on the airport run-up area plan for both runways 10 and 28.
- Update on fuel farm windsock lights and VASI panel lights as discussed at the last meeting. Also update status of VASI calibration. These questions/concerns were emailed to Jacob Snider on September 11, 2025.

New Business

- Discuss possibly replacing the airport information and frequency information sign at the entrance to runway 28. This sign is currently severely damaged. Could an additional sign be added to entrance to runway 10?

Airport Business Reports

Good of the Order / Public Comments

- Skyline Soaring Club report and invitation to their 2026 Safety Meeting in March 2026
- Publicly thank the Friends of FRR for the annual holiday lighting of the F-86.

Motion to Adjourn
