Reports on Tasks From Last Meeting

- Mr. Christensen to research the matter and provide input to substantiate a fee amount to be paid by builders at the time they apply for building permits – the purpose of said fee being to cover the installation by the SFSD Road Crew of an approved culvert(s) for lot ingress/egress.
- Mr. Tabor to forward the SFSDAC Progress Report for publishing on the County website.
 - *Submitted 01/18/2026.*
- Mr. Tabor to conduct research on best practices for residential water wells to avoid ground water contamination and aquifer depletion.
- All: Come to the next meeting prepared to offer input on prioritization of future SFSD road improvements.

Public Works Report

Public Discussion (Limit 3 Minutes Per Item/By Chair)

Old Business

- Interest Earned on SFSD Funds Held By Warren County: Mr. Stanmeyer to research the disposition of any interest earned on SFSD funds held by Warren County.
-

New Business

- Prioritization of SFSD roads for improvement in 2026.
- Road and drainage study
